

PROGRAM

Monday, October 21

17:00-19:00

Registration

19:00-20:30

Public Keynote

Transformations in the Relations between Science, Policy, and Citizens

Session Chair: Marc Saner, ISSP

Yves Gingras, Université du Québec à Montréal

Rapporteur: Jason Millar, Queen's University

20:30-22:00

Reception and Poster Session

PROGRAM

Tuesday, October 22

07:30-09:00

Registration and Continental Breakfast

09:00-09:15

Welcome

Gordon McOuat (Situating Science) and Marc Saner (ISSP)

09:15-10:45

Opening Plenary

Science and its Publics: Dependence, Disenchantment, and Deliverance

Session Chair: Gordon McOuat, Situating Science

Sheila Jasanoff, Harvard Kennedy School

Rapporteur: Emily Tector, Situating Science

10:45-11:00

Break

11:00-12:30

Concurrent Session 1

1A – Science and Democracy

Session Chair/Speaker: Heather Douglas, University of Waterloo

Frédéric Bouchard, Université de Montréal

Patrick Feng, University of Calgary

Rapporteur: Lesley Cormack, University of Alberta

1B – Value-Laden Science

Session Chair/Speaker: Carla Fehr, University of Waterloo

Letitia Meynell, Dalhousie University

Sergio Sismondo, Queen's University

Rapporteur: Joshua MacFadyen, NiCHE

12:30-14:00

Lunch Plenary

What are the problems with Science, Values, and Democracy?
Heather Douglas and Carla Fehr, University of Waterloo
Rapporteur: Patrick Fafard, University of Ottawa

14:00-15:30

Concurrent Session 2

2A – International Lessons on Science Policy

Session Chair: Margaret McCuaig-Johnston, ISSP
Jason Blackstock, University College London
Bruce Doern, University of Exeter
Rapporteur: Jonathan Linton, University of Ottawa

2B – Citizens' Science

Session Chair: Jackie Dawson, University of Ottawa
Jeff Kinder, Natural Resources Canada
Florence Piron, Université Laval
Rapporteur: Sasha Kebo, University of Ottawa

15:30-15:45

Break

15:45-17:15

Plenary Workshop: Science, Policy, and Citizens

How to Improve the Science/Society Interface
Session Chair: Marc Saner, ISSP
(Includes rapporteurs from previous sessions)

17:15-17:30

Break

17:30-19:15

Dinner

19:30-21:00

Uncertain Science, Uncertain Times

(taking place in the Alumni Auditorium, Jock-Turcot University Centre)
Selections and panel discussion of Michael Frayn's play, *Copenhagen*
Director: Kevin Orr, University of Ottawa
Actors: Tibor Egervari, Peter Haworth, and Beverley Wolfe
Moderator: Jay Ingram, The Banff Centre
Shohini Ghose, Wilfrid Laurier University
Ted Hsu, Member of Parliament
Robert Smith, University of Alberta
Rapporteur: Jacob Berkowitz, ISSP

21:00-22:00

Reception

PROGRAM

Wednesday, October 23

07:30-09:00

Registration and Continental Breakfast

09:00-9:15

Welcome and Summary of Results from Tuesday

Gordon McOuat (Situating Science) and Marc Saner (ISSP)

09:15-10:45

Concurrent Session 3

3A – Responsible Innovation and the Governance of Technology

Session Chair: Richard French, University of Ottawa
James Hughes, Institute for Ethics and Emerging Technologies
Wendell Wallach, Yale University
Rapporteur: Jason Millar, Queen's University

3B – Art, Science, and Technology

Session Chair: Jennifer Blair, University of Ottawa
Robert Bean, Nova Scotia College of Art and Design
Larissa Lai, University of British Columbia
Cindy Stelmackowich, Carleton University
Rapporteur: David Pantalony, University of Ottawa

10:45-11:00

Break

11:00-12:30

Concurrent Session 4

4A – Science, Technology, and the Media

Session Chair: Peter Calamai, Carleton University
Jay Ingram, The Banff Centre
Ivan Semeniuk, The Globe and Mail
Rapporteur: Jacob Berkowitz, ISSP

Special thanks to Penny Park for her assistance with this panel

4B – Education and the Culture of Science

Session Chair: Bernard Lightman, York University
Ruby Heap, University of Ottawa
Giuliano Reis, University of Ottawa
Rapporteur: Rocci Luppicini, University of Ottawa

12:30-14:00

Lunch Keynote

Theme: Science Communication

Session Chair: Rees Kassen, University of Ottawa
Mary Anne Moser, The Banff Centre
Rapporteur: Roger Stanev, University of South Florida

14:00-15:30

Concurrent Session 5

5A – The Future of Fundamental Research in Canada

Session Chair: Paul Dufour, University of Ottawa
Kamiel Gabriel, University of Ontario Institute of Technology
Yves Gingras, Université du Québec à Montréal
Robert Luke, George Brown College
Rapporteur: Jeff Kinder, Natural Resources Canada

5B – Open Access

Session Chair: Florence Piron, Université Laval
Stevan Harnad, Université du Québec à Montréal
Brent Roe, Canadian Association of Research Libraries
Rapporteur: Jeremy de Beer, University of Ottawa

15:30-15:45

Break

15:45-17:15

Closing Workshop

Science and Society: The Low-Hanging Fruit
Session Chair: Marc Saner, ISSP
(Includes rapporteurs from previous sessions)

17:15-17:30

Break

17:30-19:00

Influencers Panel

Session Chair: Yves St-Onge, Canada Science and Technology
Museum Corporation
Denise Amyot, Association of Canadian Community Colleges
Scott Findlay, University of Ottawa
Pat Mooney, ETC Group
Louise Vandelac, Université du Québec à Montréal

19:00-20:30

Reception
